The general purpose of CAG is to encourage and stimulate the practice and appreciation of the creative arts. The term "creative arts" includes visual and performing arts. Specifically, CAG strives to generate a vibrant arts district centered in Cayce for citizens to learn about, participate in, and enjoy art; stimulate interest in the creative arts by promoting and developing programs and projects that are of educational value; by presenting quality art learning experiences, performances, exhibits, and sales to the community it serves; and to assist or encourage local efforts which enable others to create their own art. CAG is a SCOS incorporated non-profit and IRS designated tax exempt 501c3 organization.

Please print legibly. Information may be used in the CAG Membership Directory unless you note otherwise.
