

May 13 Meeting, Cayce Tennis and Fitness Center, 6 PM

We hope you can join us for the last meeting before summer break! We've missed so much and hope you'll join us. Skip Willits will speak about his photography art journey. Please bring a piece of art or two to show the group and talk to the group about it just a minute or two.

Art at Tri-City Leisure Center

We have a small locking display area at the Tri-City Leisure Center in West Columbia. You may bring to the **May 13** meeting one or two pieces of 2-D art no larger than 16x20 or one or two small 3-D pieces to show. Rebecca Causey is facilitating this venue. Call her if you have questions or need to set another time. causeyrj@hotmail.com (803) 735-6266. Rebecca has made some neat blocks to hold the display/information cards. Sandra Courie and Renea Eshleman have each sold a piece there, even though traffic has been limited!

Rotation at Henry's

May 18, 10 AM, is the time to rotate art at Henry's, 2108 State Street. Contact Katty Hite (803) 238-6108 kattyhite@gmail.com and let her know if you plan to participate. Each artist may display up to three pieces.

Landsford Canal State Park, 2051 Park Drive, Catawba, SC 29704

Thursday, May 27, 2021 (tentative)

(803) 789-5800

<https://southcarolinaparks.com/landsford-canal>

Check the web site for park rules and other info. Admission is \$3.75/S.C. senior
It's a fairly flat walk but would require careful stepping.

Stretched along the Catawba River on the South Carolina fall line, Landsford Canal State Park is home to the well-preserved remains of the canal system that made the river commercially navigable from 1820 to 1835. The Catawba River is home to the largest known stand of the rocky shoals spider lily, a flower species found predominantly in the Southeast. Peak bloom season for the rocky shoals spider lily is during May and June. It's about an hour and a half from Cayce. We can make more precise plans as the time nears and date finally determined. It's a bit tricky to be there when the lilies are blooming. We plan to have lunch at the fish camp nearby. Let Sandra know if you want to join us. sandra@courie.com (803) 626-4483

Steel Hands Brewing Woodstock Themed Event

Ashley Lambert, co-owner of Steel Hands Brewing, reached out to the City about an event they are hosting Saturday, **May 29** at Steel Hands. It is going to be a Woodstock themed event with *Prettier Than Matt* singing songs from that era and AR Workshop will be there with t-shirt tie dye kits. Ashley would love to have local artists there as well selling their art. Below is Ashley's contact information so you can reach out for more details. Roy Paschal Portrait Workshop, State and Frink, 2025 State Street

Mark your calendar for **June 5-6** for a portrait workshop with Roy Paschal. Believe me! He's a master teacher. Saturday sessions are 9-noon, lunch (included), and 1-4. Sunday session is 1-4 PM. The cost for this day-and-a-half workshop is rock-bottom \$80. We'll provide details soon.

MPA Strategies + State and Frink Events, Gallery, Workspace;

We are grateful the Guild members are able to hang work at the MPA Strategies building. However, for now, we don't have established access hours. There is business going on there such as client appointments and meetings so please don't just show up and interrupt their business. June 1 is the tentative date for a ribbon cutting and open house. We will schedule future events and shows for public access. **In the meantime**, if you must change out work or have someone, for instance, from out of town who wants to see the exhibit, contact Ashley Hunter ahunter@mpastrategies.com to schedule access at a time – typically after 4 PM - MPA partners do not have conflicting appointments. Thank you for your understanding.

Web site member profiles

Members, send Web Master Ann Kinsinger the information she needs to include a member profile for you on CAG's web site. For a mere \$20 in addition to the \$25 membership fee, you can also have a member page with a bio and gallery of five images of your work.

<p>Jacqueline Brown</p> <p>jacquelinebrown252@gmail.com 803-546-5053</p> <p>I am from Pittsburgh, PA. I joined the Army after high school and settled in South Carolina. I have always loved drawing, mostly as a hobby. I started painting in acrylic due to Covid and having more time at home. What really inspired me to paint was watching Portrait Artist of the Year. This program showcased some amazing artists, pro and amateur. Having my brother praise my work was a big motivator, he is an artist in Pittsburgh. I use reference for ideas. I like doing art to bring pleasure to others. I'm working to improve portrait painting.</p>
